Dear Parishioners and Friends,

Last weekend we celebrated the great feast of Pentecost...God's Gift and wondrous surprise...the Holy Spirit! The "breath" of God that has the power to change us if we allow it to. God's surprises never end as is evident with today's feast of the Most Holy Trinity...that God who is one is also a community of three! Why does God reveal this to us? What does it mean? First I guess, it is a sign of God's love and respect for us. Out of love, God reveals the mystery of Who God is...and also reveals something of who we are. Made in the image and likeness of God, we have been blessed with the capacity to love, to forgive, to create, to transform and to be transformed. And, like our God, we are fully ourselves when we realize it and live as members of a wider community...The Body of Christ, the fellowship of faith, the partakers of the Body and Blood of Christ Jesus. In today's feast, we celebrate our uniqueness, our oneness in the image of God and our richness and diversity in the Father, the Son and the Holy Spirit.
